

Petition to re-surface roads in PCA with Class 6 mixture road base:

A petition will be sent to the El Paso County DOT (Department of Transportation) from the residents of Pine Cone Acres Subdivision, if we receive the required signatures, requesting a re-surfacing of the roads in Pine Cone Acres with a Class 6 mixture road base we once had in the early to mid-1990's. The road base they have been using since then leaves slippery, muddy messes and chuckholes on the roads of Pine Cone Acres which makes driving in our subdivision dangerous.

I will have the petition at my house for those who wish to sign for a better quality surface road base on the roads in Pine Cone Acres. If you have any questions, please call me. Thank you.

-Monika Eckmann, PCAHA Secretary
